

Mr. Atef Mankarios' view of Medina oven & bar:

"He said, Oh! My God! Trying to find words to describe Medina oven & bar: The aromas, the flavors, music, design & the ambiance...Medina is a great idea & No one has this concept!"

Medina oven & bar is his favorite restaurant in Dallas as the casual-chick place. When he is at Medina, whatever the dinner/lunch plan is, he must have, one of Medina appetizers, poached Calamari in saffron, traditional, Moroccan special seafood spice mix that is served on baby mixed greens in Balsamic vinaigrette.

Atef Mankarios (CEO) of partnership & Trevi Luxury Hospitality Group, Inc. The former president & Chief executive Officer of Rosewood Hotels & Resorts, Inc. was the driving force behind many achievements including representing other several executive management positions with other well known companies in the world.
